

## Press Release

Date: July 15, 2010  
From: Garry H. Peterson, President  
INSTITUTE FOR GREEN BUSINESS CERTIFICATION

THE INSTITUTE FOR GREEN BUSINESS CERTIFICATION, INC. (IGBC) and its Small Business Division, UNIFORM STANDARD FOR GREEN BUSINESS CERTIFICATION is pleased to announce,

### **BLUE WAVE PROFESSIONALS, LLC Of Minneapolis, Minnesota**

has achieved a "Green Business Certification" from IGBC, demonstrating **Blue Wave Professionals, LLC's** total commitment to their community's environmental health and well-being. They are the first company of their kind in the Minneapolis area to be certified by IGBC.

**Blue Wave Professionals, LLC** is a 100% women owned full service staffing firm that specializes in permanent, contract and contract to hire placements of IT and Engineering professionals within the Twin Cities Metro area. We are well networked locally and specialize in bringing together great companies and top talent. We work with both public and private companies, from small to large in size. Our goal is to take the complexity and stress out of finding the right person for the right job.

IGBC is the oldest organization of its kind and only one of two to certify business environmental practices.
